Greed (CR12)				-15	<u>B137</u>	—	Symbol Magic: Body (Noun)				17	IQ+1	1	<u>M204</u>	
Self-Control Roll (CR): 12 or less (Resist quite often)							Symbol Magic: Air (Noun)				18	IQ+2	1	<u>M204</u>	
Make a self-control roll any time riches are offered – as payment for fair work, gains from adventure, spoils of crime, or just bait. If you fail, you do whatever it takes to get the payoff.							Stealth				11	DX-1	1	<u>DFA89</u>	—

Self-Control Roll (CR): 12 or less (Resist quite often)							Speed-Reading				15	IQ-1	1	<u>DFA89</u>	—
Make a self-control roll any time you are called on to spend money. If the expenditure is large, this roll may be at -5 or worse (GM's decision). If you fail, you refuse to spend the money.							Shortsword				13	DX	2	<u>B209</u>	
On the Edge (CR12)				-15	<u>B146</u>	—	Default: Knife-4								
Self-Control Roll (CR): 12 or less (Resist quite often)							Search				15	Per-1	1	<u>B219</u>	—
Make a self-control roll whenever you face a life-threatening situation: piloting a burning vehicle, staring down an entire street gang while armed only with a toothbrush, etc. If you fail, you may not back down from the challenge – but you may roll again after every success roll or reaction roll relating to the situation. In combat, make a self-control roll every time you take your turn. If you fail, you must make an All-Out attack or engage in some other kind of near-insane, suicidal behavior.
